Create Discord Account

Mobile Device-

1. Install Discord app from your play store or App Store.
2. Open the app and click on **Register**.

3. If you already have an account you can directly **Login**.
4. You can register using a phone number or Email.

The image shows the Discord registration form titled "Enter phone or email". It features two input fields at the top labeled "Phone" and "Email". Below these, the "EMAIL" section is active, showing an "Email" input field. A link for "View our Privacy Policy" is located below the email field. At the bottom, there is a blue "Next" button.

The screenshot shows the 'Enter phone or email' registration screen. At the top, there are two tabs: 'Phone' (selected) and 'Email'. Below the tabs, the 'PHONE NUMBER' section has a dropdown menu showing 'US +1' and a text input field for the 'Phone Number'. A link for 'View our Privacy Policy' is located below the input fields. At the bottom, there is a large blue button labeled 'Next'.

5. Fill in all the details to register and click **Next**.

The screenshot shows the 'Register' screen. It has a title 'Register' at the top. Below it is the 'PICK A USERNAME' section with a text input field containing the placeholder text 'What should everyone call you?'. Below the input field is a note: 'You can always change this later!'. The next section is 'Password', with a text input field and an eye icon to toggle visibility. Below the password field is a requirement: 'Password must be 6-72 characters'. At the bottom, there is a large blue button labeled 'Next'.

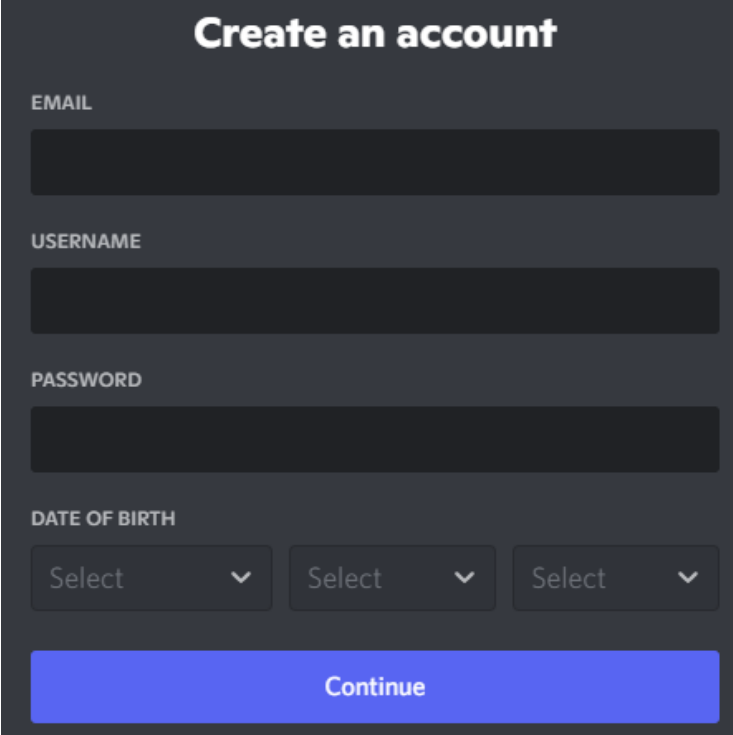

6. Enter your date of birth and click on **Create an account**.

The screenshot shows the 'Enter your birthday' screen. It has a title 'Enter your birthday' at the top. Below it is the 'DATE OF BIRTH' section with a date input field showing '10/04/1998'. At the bottom, there is a large blue button labeled 'Create an account'. Below the button, there is a line of text: 'By registering, you agree to Discord's [Terms of Service](#) and [Privacy Policy](#)'.

7. Next step you will choose your profile picture.

PC-

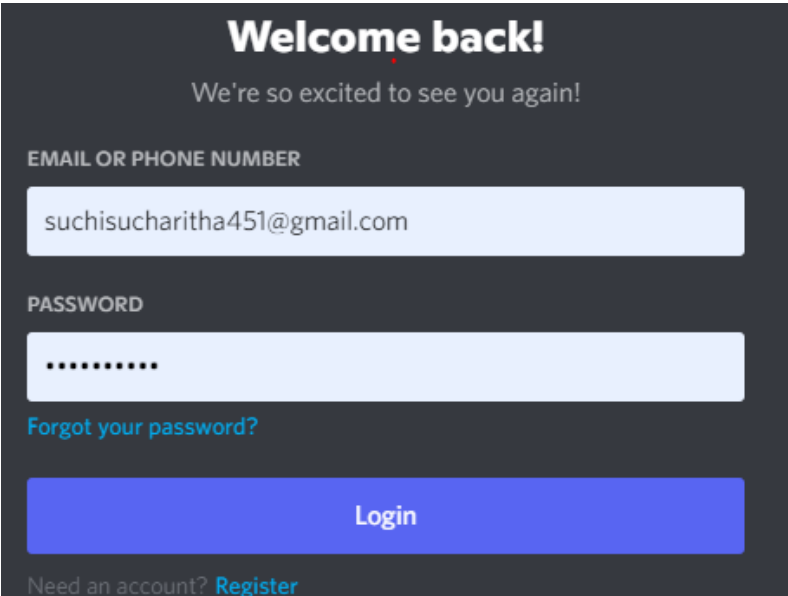

1. Navigate to the website <https://discord.com/register>.
2. Fill in all the details and click on **Continue** and you are ready to use your account.

The image shows the 'Create an account' form on the Discord website. It has a dark grey background with white text. The title 'Create an account' is at the top in a bold, sans-serif font. Below it are four input fields: 'EMAIL', 'USERNAME', 'PASSWORD', and 'DATE OF BIRTH'. Each field has a dark grey placeholder box. The 'DATE OF BIRTH' field consists of three separate boxes, each with the word 'Select' and a downward arrow. At the bottom of the form is a large, blue button with the word 'Continue' in white text.

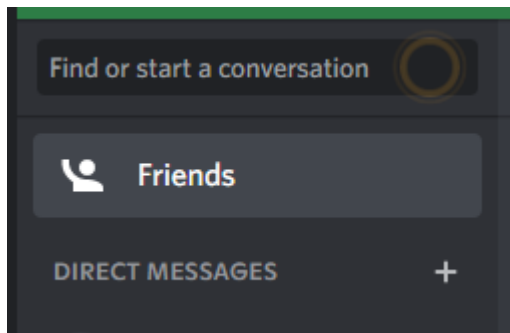

Login & Features- Website

1. To login from PC navigate to the link <https://discord.com/login>.
2. Fill in all the details and click on **Login**.

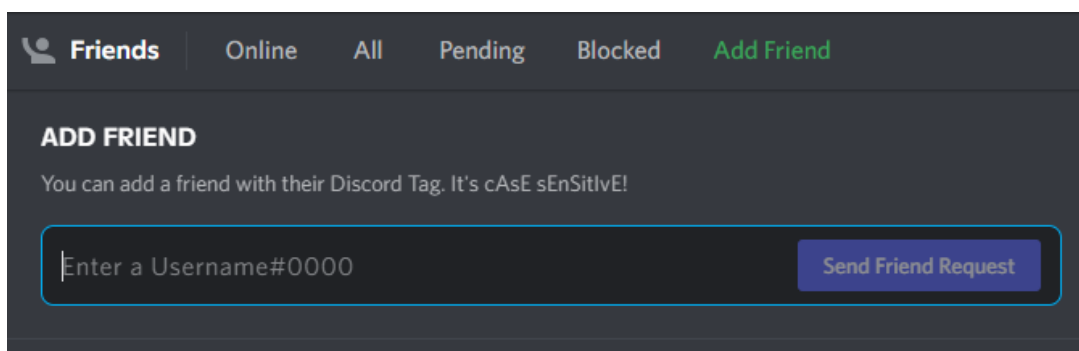

The image shows the 'Welcome back!' login form on the Discord website. It has a dark grey background with white text. The title 'Welcome back!' is at the top in a bold, sans-serif font, followed by the subtitle 'We're so excited to see you again!'. Below this are two input fields: 'EMAIL OR PHONE NUMBER' and 'PASSWORD'. The first field contains the email address 'suchisucharitha451@gmail.com'. The second field contains a series of dots representing a password. Below the password field is a link that says 'Forgot your password?'. At the bottom of the form is a large, blue button with the word 'Login' in white text. At the very bottom, there is a link that says 'Need an account? Register'.
